## FRIENDS OF THE NORTH END MARCH AND APRIL 2019 REPORT

---

### **March 2019:**

Marydale Festival was discussed

### **April 2019:**

It was decided that non-artists would provide an activity-example Real Life Yoga & Coffee would have a Yoga in the Park session.

Partners will be asked to bring a specific activity instead of open ended.

The City Wide Parks Clean-ups were discussed with Steve & Alison taking the lead on Trout Brook and Jubilee and Kerry managing Willow Reserve. Organizations were invited to send people to volunteer. It was decided that Friends would send an email to Board members strongly encouraging them to volunteer.

A tour of Willow Reserve is planned
