# **Safety Fair**

We discussed tasks for the Safety Fair scheduled at St. Bernard's for Saturday, February 22, 2020, from 10:00 am to 2:00 pm. The event will include breakout information sessions. The food will be hot dogs, chips, water, and cookies. With all of the other activities, the committee decided to not have the basketball games. Some of the possible "booths" include LECPA with fingerprint kits, the sheriff's office, bullying prevention, pedestrian safety, an at-risk youth round table with a variety of organizations, canine unit, auto theft prevention with VIN etching at the event or the ability to sign up for an appointment, details on catalytic converter thefts, burglary prevention, SPFD, Xcel, YOPU (something with youth?), CIB process.
