

Transportation Committee Report

Tuesday February 11, 2020

Ramsey County presented the current state of research and outreach into Rice Street Visioning project. Notable moments included that Rice Street has three times the accident rating of any similar street in Minnesota.

An open house for Larpenteur resurfacing will occur on Tue, March 10, 6:30pm – 7:30pm at Washington Technology Magnet School Great Hall 1495 Rice Street Saint Paul, MN 55117 ([map](#))
