

North End Neighborhood Organization

Land Use & Housing Committee February 23, 2021 Meeting Notes

The committee and neighbors heard a presentation by Chris Stark and Dave Ronzani regarding the proposed North End Community Center at 1021 Rice Street

Board Action: 1025 Rice Street: North End Community Center: The committee recommends supporting a variance request; code requires a 25 foot setback for a parking lot in RT1 zoning districts. Due to the size, orientation and programming of the park a 7-foot setback is designed for a requested variance of 18 feet
