Welcome & Introductions

Marydale Festival 2021 Updates

There are approximately 25 vendors signed up and five food trucks. We have five children's activities including Elpis. The alcohol permit is finalized, there was a question if beer was necessary at the festival. If there was not a beer garden overtime officers would not be necessary. We have enough tents, tables and chairs. Trash will be managed including composting.

Marydale Festival Volunteers

A call to volunteers was created with 6 people signed up. Board members will also be there to assist.

Events Scheduled

A Rental Form is scheduled for October, a Community Dinner for November and a Youth dinner is being arranged.
