Committee Reports

Building Community:

The meeting was short so there is no report, there was no update on 444 Maryland Avenue. NENO will join the City Wide clean-up and smaller area clean-up was discussed.

North End Development Team

If you know of a business that is in need of economic development dollars, please send the information to the office.

Land Use & Housing

February's meeting will be cancelled so people can join the 1-4 Unit Housing Study Presentation

Exit Survey

The exit survey was discussed with the following included questions; race, housing status, gender, age, how long you lived in the North End and income were some of the questions that were discussed. The questions with the exception of income were standard. The thought was it isn't anyone's business participants' income level was asked or should be known. A preference not to answer will be included on the survey. Alan Richardson Hohn will send out a poll with the questions for board members to respond to. A motion to accept the exit survey was M/S/A.

New Business

Alan Richardson Hohn brought up that the 1199 Rice Street garden lease was up this summer and that giving up the lease was a possibility because someone needs to manage the garden.

Old Business

There was no old business

Roundtable Discussion

Board members should be reaching out to their in their area. Another ideas to offer incentives for involvement
